

**WE UNDERTAKE
TURNKEY PROJECT
WORKS**

**CHEMICAL EARTHING | PIPE EARTHING | PLATE EARTHING | LIGHTING ARRESTER
EXTERNAL & INTERNAL ELECTRIFICATION | POWER & DISTRIBUTION TRANSFORMERS
HT & LT SERVO STABILIZERS | HT & LT PANEL | HT & LT CABLES / WIRES | ON LINE UPS**

ELECTRICAL ENGINEERS & CONTRACTOR

Specialized In Engineers, Contractors & Consultants in designing, erection and commissioning of electrical projects.

We are dealing in plant Erection, commissioning, Wiring of all Electrical Equipments. We have a good & sound team for all type of LT, HT, Cabling Works & Fabrication i.e. A sound Engineers, Supervisors, Foreman & wire-mans. In our team we have a good cable jointer termination, Cable laying, earthing jobs, cable tray laying jobs etc. A good working experience of LT & HT Supply & Commissioning. To become a service provider of choice to clients through competent and efficient practices, by achieving the highest of quality standards, to help clients meet business goals.

A strong thread of quality that runs through the very fabric of **EPCS** is its people strength - the Company's single most prominent asset. Premium workmanship is a deliverable assured at every level of job process. **EPCS** dynamic strong team of managers, engineers, supervisors and technicians, led by a techno-savvy management with over years of rich experience, is large enough to deliver excellence, while remaining compact enough to be responsive to the needs of individual customers, in today's changing business environment.

EPCS is a well-established and reputed Electrical Contracting Firm in Different Location Delhi, UP, Rajasthan, Gujrat, Haryana, etc.

We are maintaining a very good infrastructure like a modern office with good communication facilities, Fabrication unit with all modern Machineries and Equipments which are necessary for any kind of projects. Coupled with the expertise that we are having for the last 16 years of practical experience as well as the methodology followed by us, which includes the usage of only high quality ISI marked components and accessories.

Planning Designing Installation Testing & Commissioning of Electrical Services with alternative options, Including budgetary Costing. Preparation of Power Schematics, Lighting Layout, Earthing Layout and Lighting Protection etc. Installation, Testing & Commissioning of Electrical Systems.

Installation & Commissioning of Electrical Power Supply requirements starting from HT Line up-to all internal power lighting and equipment cabling, wiring and required work to start the plant.

Engineering and Technical Helpdesk as per requirement of Plant or Project. Services & Solutions for Industry and power supply. Energy Conservation and Savings Potential assessment.

Area Of Expertise

We undertake complete turnkey contractor of supply, Installation, Testing, commissioning for all type of electrical project's design, development, execution, up-gradation & renovation works as under –

- Project works of external / internal of commercial and industries
- PVC & MS conduct Pipe, all kinds of Industries & commercial luminaries spares, Testing and measuring instrument, Panel Meters, MCCB/MCB/DB etc.,
- LED Lighting/Industrial Lighting Fixture
- Supply & Fixing / Installation of ladder type/ perforated cable tray and race ways
- Testing of all types of panels, repairing and servicing of Air circuit Breaker
- Transformers/CT, PT Units

- HT/LT Automatic Servo Voltage Stabilizers Panels, DBs
- Transformer Oil Testing & Dehydration.
- LT/HT Cables, Termination Kits & Wires
- Earthing Solutions(GI/CU Earthing, GEL Earthing)
- Tubular/Octagonal Poles
- Industrial UPS
- Data / Computer Cat-5 & Cat-6 Cable laying, termination & Server installation, EPBAX & CCTV etc,
- Supply of HT/LT power cable ,switch gear, HT GO/DO switch, HT & LT joint kits, Earthing materials, Cu/GI strip (Plate /Pipe / chemical) PCC pole, ACSR conductor & all type of insulators, street light pole , lighting arrestor 11KV/33KV, all types Cable Tray ,Cable Gland & Thimbles
- Fire Alarm Systems

Type of Industry Covered

- Commercial & Housing Projects.
- Industrial Projects
- Food Industries
- Textile
- Food
- Chemical Industries
- Automobile Industries
- Plastic Industries
- Electronics Industries
- Pharmaceutical Industries
- Automotive Glass
- Textiles & Fabrics
- Injection Moulding & Packagings

EPCS is experiencing accelerated growth, since its inception in the year 1999.

Our team of qualified professionals plays an indispensable role in offering a quality range of **Industrial Electrical Products**. Backed by in-depth industry knowledge and experience. Further, they understand the specific needs of the clients and offer solutions as per their requirements and specification. All these factors help in drawing our organization more closer to the wide spread clients.

EPCS is engaged in the trading of all kind of Electrical Products ie.

HT Transformers

Servo Stabilizers

Isolation Transformers

Plating Rectifiers

Lighting Poles

Contactor

MCCB

ACB

HT Cable Termination

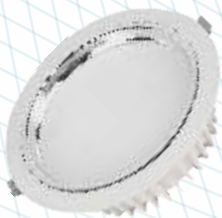

HT/LT Cable

Chemical Earthing

CCTV

LED Downlighters

LED Grid Lights

LED Flood Lights

Light Fittings

Also, with the support of qualified and expert professionals, we are able to achieve the target of our organization within set time frame. They working an organized way and supply these electrical products as per the defined industry standards. By using advanced machinery, we are able to meet the bulk and urgent requirements of our clients.

Our Infrastructure

We have established a state-of-the-art infrastructure, which is efficiently managed by a team of expert professionals. This is further segregated in to various units, which help us to carry out our business operations smoothly and efficiently.

Our trading facilities include and advanced infra, which is well equipped with all the latest machines required production process. This has further enabled us to supply the **Electrical Products** as per the defined industry standard.

What Sets Us Apart?

We have become a leading organization for offering high quality electrical products. Some other factors, which have contributed in our success are mentioned below:

- Quality range of **Industrial Electrical Accessories**
- State-of-the-art infrastructure
- Expert team of qualified professionals
- Customized facility
- Competitive prices
- Timely delivery

Client List :

PANEL

PHILIPS
